## RHEOSOL-Pearl soap neutral

Neutral dispenser soap "medical white" with pearl effect

### Product description

Neutral quality soap. With pearl effect without scents. built on a natural replenishing system with skin protection. Owing to the neutral cleaning and the gentleness to the skin this product is liked to use as additional soap for hand disinfection in medical institutions. Also for kitchens, the food processing industry and everywhere where perfumed soaps are undesired. Certified by dermatological-allergological reports. Owing to its fluidity the soap can be dosed by a dispenser as well as refilled from bottles and canisters.

### Fields of application

For hand cleaning. Due to its neutral cleaning and gentleness to the skin this product is liked to use as additional soap besides the hand disinfection in medical institutions.

### Dosing instructions

Apply approx. 1 ml undiluted on the wet hands, rub it and rinse it with water. The product does not contain abrasives.
